Message from the Head of the Department BCA and MCA

Dear Readers,

Warm greetings!

Education is not just about acquiring knowledge, but about developing the mindset to question, innovate, and lead.

In today's rapidly changing world, students must cultivate adaptability, resilience, and a continuous desire to learn beyond the classroom.

This college e-newsletter reflects the collective energy, creativity, and achievements of our students and faculty. It highlights the importance of teamwork, perseverance, and a positive attitude in shaping both personal and professional success.

Let us support one another, stay motivated, and work together with integrity, respect, and optimism. Every small effort contributes to a greater purpose, and together we can create a positive and inspiring academic environment.

I encourage students to make the most of every opportunity, embrace challenges with confidence, and strive for excellence in all their endeavors. Let your curiosity guide you, and let your efforts today shape a successful tomorrow.

I appreciate the efforts of everyone who contributed to this issue and wish all readers continued growth, learning, and success.

Best wishes,

*Dr. (Prof.) Kaushal Kishor
Head of the Department
BCA & MCA*

From the Helm

Message from the Head of Department B.Tech CSE (Artificial Intelligence)

Dear Readers,

It gives me immense pleasure to extend my best wishes to the editorial team and contributors of Pratibimbh. A newsletter such as this is not merely a compilation of activities; it is a reflection of ideas, creativity, achievements, and the collective spirit of our department.

The field of Artificial Intelligence is evolving at an unprecedented pace, demanding not only technical competence but also innovation, ethical responsibility, and a mindset of lifelong learning. Our students and faculty have continuously demonstrated these qualities through academic excellence, research initiatives, technical events, and co-curricular accomplishments. Pratibimbh serves as a platform to showcase these efforts and inspire others to strive for higher goals.

I urge our students to challenge their own limits, pursue excellence with determination, and make the most of every opportunity for learning and innovation. Consistent effort, curiosity, and a passion for improvement are the keys to transforming potential into achievement and shaping successful, future-ready professionals.

I wish Pratibimbh continued success and hope it will remain a mirror reflecting the growth, innovation, and aspirations of our department.

With best wishes,

*Prof. Shivani Sharma
Head of Department
B.Tech CSE (Artificial Intelligence)*

Campus Pulse

Freshers' Party : College of Pharmacy

The ABESIT College of Pharmacy joyfully organized a Freshers' Party to welcome the newly admitted students of B.Pharm on 12th December 2025. The celebration featured vibrant cultural performances, including dance, singing, and a lively ramp walk, showcasing the talents and confidence of the freshers. The presence of the Principal, Deans, HODs, and faculty members added grace and encouragement to the occasion.

Campus Pulse

'TECHFOLIO' Portfolio Website Challenge

A Portfolio Website Challenge named, "TECHFOLIO," held on 21st November 2025. It was a vibrant showcase of creativity and enthusiasm. Participants showcased their technical skills, design flair, and presentation abilities by building portfolio websites using Visual Studio Code (VS Code).

Beyond the Campus

Cloth Distribution Drive

A Cloth Distribution Drive was successfully conducted on 17th December 2025 at Chaar Murti Place, Ghaziabad, by the UBA Cell and Value Education Cell (VEC) of ABES Institute of Technology in collaboration with Light De Literacy (NGO).

The Cloth Distribution Drive was successfully completed and reflected the institute's commitment towards social welfare and value-based education.

Beyond the Campus

Digital Awareness program at Government Primary School

On 5th December 2025 ,The Department of Master of Computer Applications, ABES Institute of Technology, successfully conducted a Tech Awareness Program on “Basic Technology Concepts, Digital Safety, and the Role of Technology in Everyday Life” at Government Primary School, Chipiyana Buzurg, Ghaziabad. through its Tech Innovation Club.

Student Spotlight

Moment of Pride for ABESIT

Heartiest congratulations to our talented student, Mr. Om Purshottam (CSDS-III Year) for featuring in an interview on Doordarshan, Jharkhand! He represented his startups Grameen Udaan and EzzMed Solutions Pvt. Ltd.

For Grameen Udaan, he explained how they aim to support small farmers by providing contract farming opportunities, land analysis, and modern farming practices to help improve rural livelihoods.

For EzzMed Solutions, he discussed how they are working to enhance digital healthcare services and simplify medical processes, making them more accessible and efficient for everyone.
